

Bricks for Books

An engraved commemorative brick is a wonderful way to pay tribute to a friend or loved one, to honor a special occasion, display a favorite quote or just a friendly thought while also supporting the Northern Onondaga Public Libraries.

Your donation of \$75 will purchase an engraved brick with up to 3 lines of 13 characters each. Bricks will be placed at the foot of the foot of the library's flagpole.

Your donation is 100% tax deductible. Thank you for your support!
